LIFE WITH ARCHIE
NO. 250 SEPTEMBER

OF THE READERS —
BY THE READERS —
AND FOR THE READERS !!!

FIRST PRIZE—\$6.00
REPORTER
KATY WOOD
Ross, CA

Dear Archie:

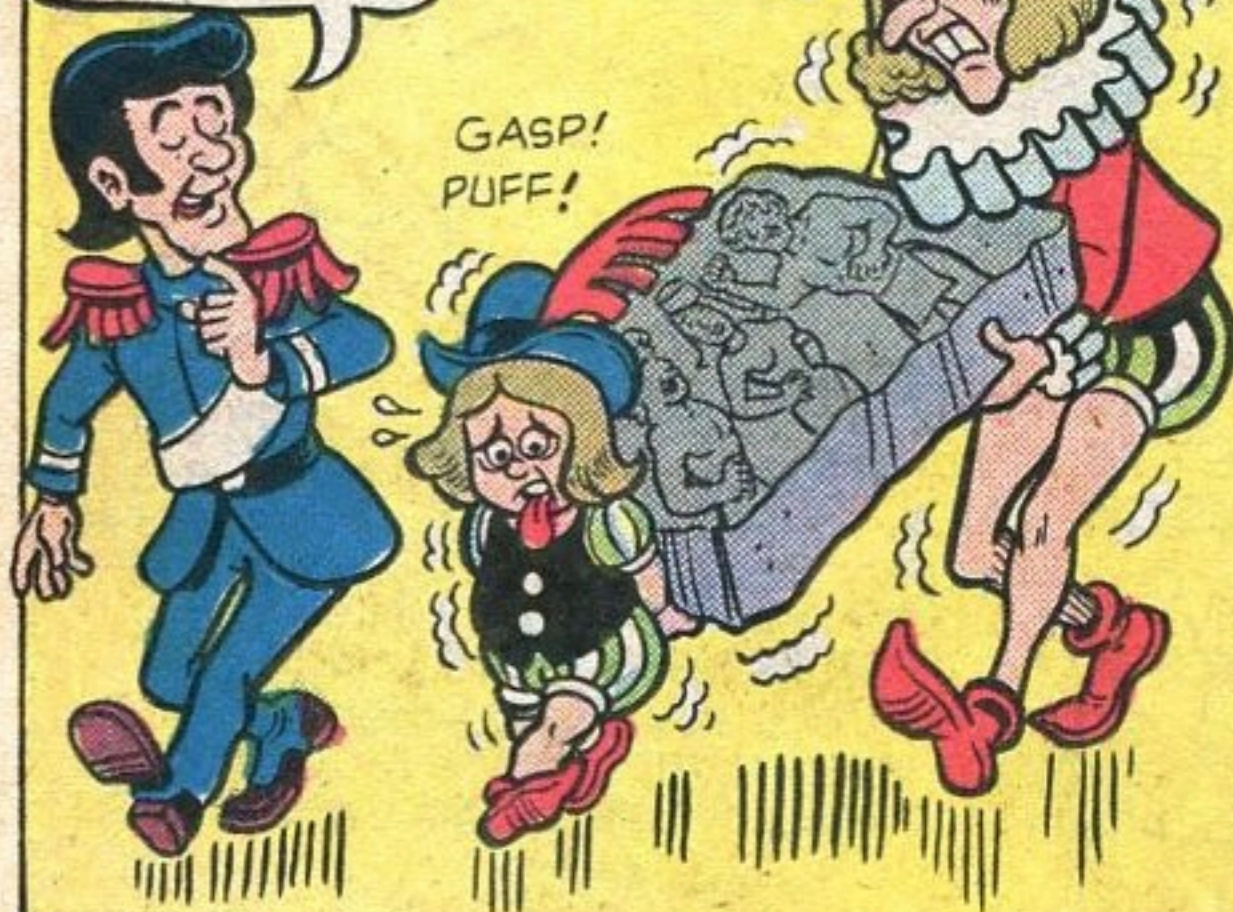

Last summer I earned a lot of money by doing odd jobs around the neighborhood. Some of the jobs were setting up lemonade stands, lawn mowing, and dog walking. But a really popular job was car washing.

On a hot day I got some of my friends together and we put up signs. We had tons of customers. We also had a lot of water fights to help us cool down while we were making money washing the cars. In one day we earned \$48.00 by charging \$4.00 per car. This job was really fun and after running it for about a week we earned more than \$100.00. So this summer when you and your friends have nothing to do, why don't you open a car wash? It's not only a way to make some money, but it is also a lot of good "clean" fun.

I, LORD ELGIN,

MARBLE SCULPTURES

SECOND PRIZE—\$4.00
REPORTER
ANNA KONSTANTATOS
Jackson Heights, NY

Dear Archie:

My report is on the beautiful Elgin Marbles. These are a splendid collection of sculptures from Ancient Greece. They are now currently in the British museum. The Marbles are some of the remains of ancient Greek sculpture. These wonderful works of art include 72 slabs of sculptures from the Parthenon, an ancient Greek temple in Athens which still stands today. All these monuments used to stand on the Acropolis until Lord Elgin, a British ambassador took them away when Greece was under the rule of the Turks. Lately, the Greek government wants the Marbles back because they symbolize the start of the Greek civilization.
